

Greek God Assignment

Each member of the class is responsible for researching, designing, and producing one page (8x11.5) on one of the Greek gods or goddesses. These pages will be put together to become a bulletin board for the classroom.

Each page must include:

- Name of the god/dess (prominently displayed).
- Roman Name.
- Image (symbolic of the god/dess' attributes)
- Images of symbols.
- What that god/dess is responsible for.
- Short tale/story in which the god plays a role.

These pages should be produced as a MS Publisher file and emailed to Mr. Sorochak @ jsorochak@sau36.org by **Friday 12/23** to be printed so that they may be presented and displayed begin after the Christmas Break.

As a class we will decide how to organize these as a bulletin board on Friday 12/23.
